## **Student Information**

At Broadway Training Center of Westchester (BTC), we value open and honest communication above all else. We believe strongly in creating a positive, safe, family environment. In order to foster this atmosphere of trust, it is very important that parents and students communicate directly with the managing director and/or artistic directors who will then help you communicate with faculty. It is important to provide us the opportunity to liaison for you.

#### • Student Code of Conduct

Students will have the freedom to be creative. To make this possible, we require students to be highly responsible for themselves, and respectful of the rights, privacy, and property of other students and teachers. Teachers and students are expected to be respectful, compassionate, sensitive to others, and in control of their own behavior. Unacceptable behavior will result in disciplinary action.

#### Expulsion Policy

If a student violates the Student Code of Conduct at any time, BTC will evaluate the situation with care. Disruptive behavior will be handled in the classroom whenever possible. In the case of continued misbehavior, or even a single serious incident, parent(s) and the Artistic and Managing Director(s) will be notified, the student may be placed on probation, and the student may be asked to leave a class and/or dismissed from the school. Suspension and/or dismissal will occur only after all other avenues have been exhausted. The Director(s) reserve the right to suspend or dismiss any student who violates the Student Code of Conduct. The Artistic and Managing Director(s) will report to the Board of Directors on the suspension/dismissal and its circumstances. In any situation that might result in suspension or dismissal, both the student and the parent(s) will be informed of the nature of the infraction and given the opportunity to give an explanation of the behavior and participate in a conference with the instructor, the Artistic Director(s), and/or the Chairman of the Board of Directors. Upon review, the Board of Directors will make a recommendation to the Artistic Director(s), who will make the final decision on appropriate disciplinary action. Parents will be notified by telephone and by mail of any suspension or dismissal action.

Students who are suspended or dismissed from BTC due to a violation of the Student Code of Conduct will not be given a refund. Parents agree to pay for any and all damages intentionally caused by their child to BTC property and/or the property of others.

#### • Attendance

Full active participation and consistent on-time attendance to every class is the only way a student can master performing arts classes taught at BTC. Students work as a team, and the success of each class and rehearsal depends on all members being there. Students are expected to take their commitment to this program seriously and be in class on time and in proper class attire (see dress code). If a student is absent from class, that student is not developing the skills necessary to succeed in the program, loses the sequential building from the previous class, and lets down the entire class team. We recognize that illness, injury, and personal emergencies may arise that make it impossible to attend every class, but we ask students to keep missed days to an absolute minimum. The following policies apply to class attendance at BTC:

- 1. Students and/or parents should call prior to class to discuss the student being late or absent and the reason. This ensures that no student will be unaccounted for, and allows teachers to plan for class.
- 2. All Ensemble Program participants: absences must be discussed in advance and need to be submitted in writing after obtaining permission from the Artistic Directors.
- 3. If a student misses two unexcused classes, the parent will be notified by BTC. Excused absences are illness, injury, and valid personal emergencies. All other absences are unexcused unless cleared with the managing director in advance. We do this to ensure your child's safety and whereabouts.
- 4. If a student continues to have unexcused absences the student may be asked to renew his/her commitment in ways deemed appropriate after discussion between the directors, the student, and the parent(s).

#### There are NO refunds, deductions, or credits for student absenteeism.

#### • Lateness

If a student is late for class or not in proper class attire the student may be asked to observe the class rather than participate in it. This decision is left to the instructor, who will make the decision based on the safety of the student and the interruption of the class work.

#### • Make Up Classes

Since there is only one section for each class, BTC does not offer make up classes due to absenteeism. However, when a class is canceled for weather, the student is entitled to do a drop-in on a different class <u>after scheduling it with the managing director.</u>

#### • Acting & Voice Class Supplies

The same notebook/folder each week, a pencil, a water bottle and ALL handouts from previous classes. Comfortable clothing you can move well in. Sneakers - no flip-flops or sandals.

#### • Required Dance Attire

Please see page 6 for a specific outline of our required class uniform. Pedestrian clothing and shoes are not permitted into dance class. Respecting each other's shared space is s part of professionalism. This includes personal hygiene and the use of deodorant, and supportive undergarments such as sturdy sports bras or dance belts in addition to required class attire.

#### • Performances: Ensemble & Recital

Tech weeks and dress rehearsals <u>are mandatory</u> for all performers. This is for the safety and well-being of each student on the stage. (Please see school calendar on page 4.)

## **Daily Procedures**

#### • In Case Of Emergency & Medication

Every student must have an ICOE on file in case of an emergency. Please do not withhold information regarding your child's medical history from us. It can help aid the office in understanding a given classroom dynamic, but most importantly, a completed form ensures the safety of your child both physically and mentally. All records are kept confidential.

Medications should come to school only when absolutely necessary. Many medications can be given in time-release forms or dosages can be spread out so that medicines can be given at home. Medications must be brought to school by a parent or guardian, not by the child. The medication must be in its original and clearly labeled bottle or container. Please see our administrator or director if medicines must be dispensed during the school day. We are unable to dispense over the counter medicines (such as Tylenol or Advil) without parental consent. (Please see emergency form)

#### • Snow Policy

In case of inclement weather, the student should **check the banner on the website or call the office at 914-478-5825 to hear the outgoing message**; BTC is closed if the Hastings-on-Hudson schools and/or their after-school programs are cancelled. The studio does not reschedule classes that are canceled due to inclement weather. When a class is canceled for weather, the student is entitled to do a drop-in on a different class after scheduling it with the managing director.

#### • Emergency Evacuation Route

If we are instructed to evacuate, or it seems prudent to do so, we will walk east from BTC and along Southside Avenue to the Metro North Parking Lot. If needing to exit through BTC's rear emergency exit we will gather in the parking lot at 9 Ridge Street, directly behind our building. The Fire Department has assigned us to go to these places and await instructions. If it is not possible to remain outside in either of the parking lots, we will walk to the village Town Hall located at 7 Maple Avenue. Students will remain with their teachers. In this situation, no student, REGARDLESS OF AGE, will be allowed to go home alone. A student will only be released to a parent or guardian. If we are at an alternate site, you will be told where to pick up your child by phone or email. Local authorities are aware that we have children in the building 6, sometimes 7 days a week and will guide us in an emergency.

#### • Drop-off/Pick-up

BTC is equipped to have supervisors on premises from 15 minutes before classes begin until 15 minutes after classes end. BTC reserves the right to charge a late pick-up fee of \$20 per half-hour for students left at BTC after closing time. <u>This is a fee charged for inconvenience, not a service we provide.</u>

It is unlawful and unsafe to double park while waiting for students. The police department has advised that vehicles should either pull up Washington Ave or wait down the hill on Southside Ave (alongside the railroad tracks). You may stand in either place, but please do not leave your car idling or unattended, as they will ticket you and fine BTC. If you plan to visit the office, please find local parking or park for free in the municipal lot (by the train station) after 6pm and on weekends.

**Cars may stand in the area above Ridge Street to pick up or drop off kids.** This is a No Parking area, but you can safely stand here to let the kids off, help them cross Ridge to get to the entrance of our building, and not block traffic.

**Stand parallel to the train tracks on Southside Ave**. If you are waiting for a student at the end of class, we have staff members and interns positioned to watch and guide students safely to their grown-ups.

#### • Lunch

During the Ensemble & Summer program lunch period, students 13 and over with permission from their parents may go out to the local deli/pizzeria/bagel shop/Chinese restaurant to buy lunch and bring it back to the studio. The Program Director and Artistic Directors reserve the right to deny a trip out to buy lunch in the event of bad weather, behavior issues, safety issues, or scheduling. We will give advance notice in the event that a lunch trip won't happen. (In inclement weather, you should assume it would not happen and that you need to bring your lunch.) <u>A signed permission slip must be on file in the office. If you need a permission slip please see our administrator or managing director to obtain one.</u>

#### Lost and Found

There is a lost and found rack located directly outside the Main Studio. At the end of each semester, any unclaimed items are donated to charity.

## **Registration & Tuition**

#### • The Entrance Process

If you are interested in one of our performance programs an entrance interview is mandatory. You may, however, register for one of our individual age appropriate acting, voice, or dance classes without an entrance interview and still participate in our end of year recital performance.

#### • Course Guide

Descriptions of our course offerings are available online. All course offerings are subject to availability. Student assessment(s) for placement into Intermediate or Advanced level classes must be scheduled via phone or email in advance with our managing director.

#### • Enrollment

We encourage registration during designated weeks to ensure the class of your choice. In order to provide proper training and quality education BTC chooses to keep class size small.

#### • Wait List

- 2. If you have been placed on the waitlist because you have not yet made yearlong tuition payment arrangements you will be advised to complete your registration to ensure proper class placement. The student is not allowed to attend or claim his/her space in class until all payment arrangements are finalized with the BTC office.

#### • Payment Plan Schedule

#### Donations: Forever Home Campaign

BTC has embarked on a campaign with the purchase of our building, enlarge our space, and create expanded programming. Please consider being a part of BTC's future by making a tax-deductible donation to help us grow on the "Support Us" page of our website.

## Additional Programs

#### Ongoing Adult Enrichment Programs

Quality professional style classes for the beginner hobbyist and advancing adult in acting, voice and dance disciplines. All classes available year-long or by semester. BTC also offers *a special* on dance classes by 8hr class card! All adult courses are a welcoming mixed level experience.

#### Student Referral Program

The best compliment you can pay us is to mention BTC to your friends. Currently enrolled students can refer a friend to BTC by following these steps:

- 1. Tell the prospective student about BTC
- 2. Ask the prospective student to mention that they were referred by you when they contact BTC via email.
- 3. Let us know about the prospective student with whom you have spoken by notifying us via email.

After completing these steps and upon the registration of the new student, the referring student will receive a free one-hour private lesson from Fiona, Heather, or Jason as a token of our thanks.

#### Work-Study

Work-study opportunities are available for responsible students age 14 and up. Tasks include office work, errands, studio maintenance and special projects. Work-study hours are applied towards the student's tuition. Please inquire in the BTC office if interested.
